DIARY NOTES

DD/S

28 September 1965

1. I met with Colonel White to discuss the following items:

a. Colonel White concurred in my intention to authorize the Office of Logistics to purchase \$10,000 worth of Class A furniture to replenish our exhausted stock.

b. I mentioned to Colonel White a letter from Eliot H. Lumbard, Special Assistant Counsel for Law Enforcement to the Governor of the State of New York, requesting the attendance of two Office of Security representatives at a conference on problems and enforcement efforts in organized crime, particularly the information aspects of crime statistics and activities. The conference will be held on Long Island on 15 and 16 October 1965. Colonel White agreed that it would be proper for Office of Security representatives to attend this conference.

c. Colonel White and I discussed [redacted] retirement. Colonel White had discussed retirement with [redacted] on 17 September, and [redacted] was to consider this and report back to Colonel White. Because of the need to make an early decision on this matter, [redacted] will be requested to advise us of his position on retirement in the near future, thus enabling him to take advantage of the recently signed bill providing an 8.1 per cent annuity increase for Federal employees who retire by 30 November. The question of [redacted] his replacement [redacted] and the designation of a Director and Deputy Director of Communications were also discussed. We will schedule another meeting on this topic, probably on 30 September.
